Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Did you know that what you think about the most is ultimately what you become in life? The truth is, the way your mind is structured eventually determines the paths available to you at any given moment. The days of blaming the world for your inability to succeed are over. This book was written to empower you so that you can finally achieve those goals that have been lying just outside of your reach. Get Your Power Back! Sometimes the biggest obstacle we face on the journey to success is ourselves. The conditioned thoughts we have combined with societal and familial pressures can wreak havoc on our perception and capabilities. This book is designed to help you see past all that, so that you can envision your destiny more clearly. From the beginning to the end, readers will be presented with breakthrough technologies and insights. You will learn tools and techniques that have already been proven through scientific research and successfully applied by many to achieve remarkable results. Within this book, you will find a literary friend to walk you through the steps of self-actualization, goal planning and a roadmap of success. Make the Most of Your Time To succeed in today's modern world requires not just having the proper mindset, but also building the necessary skills and taking the correct course of action. It is a fact that all journeys are fraught with various obstacles. Developing a holistic mindset will help you to overcome the stress associated with all of that and can also help you to transform those inevitable daily challenges into open doors of opportunity. Let this book teach you how to see the world from a different point-of-view. Use the tools...
