Pearson, United States, 2019. Book. Condition: New. 11th ed. Language: English. Brand new Book. This ISBN is for the MyLab Education access code card. Pearson eText is included. A case-based, balanced, and applied approach to educational psychology Using Educational Psychology in Teaching, 11th Edition, helps readers learn to apply educational psychology theories and research to their own classroom practice. This book teaches using an integrated-case approach -- every chapter begins with a true-life classroom case study. The case is then woven throughout the chapter, highlighting practical ways the chapter content can be applied in real classrooms. Additional examples expand on the chapter content and provide concrete teaching strategies and suggestions for classroom practice. Updated to reflect the most current research and trends in K-12 classrooms, the 11th Edition introduces readers to the field of educational psychology in a comprehensive and approachable manner. Personalize learning with MyLab Education By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. MyLab Education helps teacher candidates bridge the gap between theory and practice -- better preparing them for success in their future classrooms. NOTE: You are purchasing an access card only. Before purchasing, check with your instructor to confirm the correct ISBN. Several versions of the MyLab(TM) and Mastering(TM) platforms exist for each title, and registrations are not transferable. To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide. If purchasing or renting from companies other than Pearson, the access codes for the MyLab platform may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.
